

## FEATURES

- Executive class 110 bottle (10.60 cu.ft) capacity wine cellar
- All black interior emulates traditional wine cellars
- Two distinct, independently controlled temperature zones for red and white wine storage. Temperature range can be set between 4°C - 18°C (39°F - 64°F) per compartment
- Precise digital thermostat with LED display allows the temperature to be accurately set and monitored through the door
- Our frost free, fan forced cooling system combined with our digital thermostat provides a more consistent internal temperature than an automatic defrost system
- Roller glide shelves extend effortlessly and limits agitation to the wine
- Cherry stained wood shelves with stainless steel trim
- "Cool Blue" - true LED track lighting system beautifully showcases the wine without the heat created by an incandescent bulb
- Tinted tempered glass door helps protect wine from harmful UV rays
- Integrated door lock helps protect the contents from children
- Right hand door swing only (Not reversible)
